

WITTINGSTEIN

Ludwick WITTENGSTEIN

- *"What we say will be easy, but to know why we say it will be very difficult."*
- A wealthy Viennese trained engineer who later earned a Ph.D. at Cambridge.
- **Most famous work:** *Tractatus Logico-Philosophicus* (1922), written while a soldier in WWI and later part of his dissertation that focused on the relationship between language, thought, and reality.
