SOCIOLOGY OF [INSERT HERE]

- Sociology is the broadest (and most exciting) of the social sciences! (Even though it's hard to even call all of sociology as a science.)
- Name any aspect of sociology, and there's a sociology for it!
 - Sociology of [CELEBRITIES]? YES!
 - Sociology of [FOOD]? YUP!
 - Sociology of [SPORTS]? FOR SURE!
 - Sociology of [SOCIOLOGY]? Again, YES!
