

EXPLAIN

AFTER TODAY, YOU SHOULD BE ABLE TO EXPLAIN:

- Explain Émile Durkheim's notion of "mechanical" and "organic" solidarity.
- Explain what a social fact is and how society is *sui generis* according to Durkheim.
- Provide an example of Karl Marx's conception of the "Proletariat" and "Bourgeoisie."
- Identify Max Weber's three forms of social stratification and provide an example for at least one of the three.
- Describe what Weber's three forms of authority are and provide an example for at least one of the three.
