# Social Form

- **Social Forms** are the patterns of social interactions, and not the content of social interaction.
- We can navigate the maze of countless interactions by categorizing them using a small number of patterns ("forms").
  - Exchange
  - Conflict
  - Prostitution
  - Sociability
  - Domination

# Affiliations

A group of five diverse young adults (three women and two men) are shown from the chest up, looking upwards and smiling. They are arranged in a circle, with their heads tilted back. The background is a soft, out-of-focus light blue. The word "Affiliations" is written in a large, white, sans-serif font across the upper center of the image. The overall mood is positive and inclusive.
