

EXPLAIN

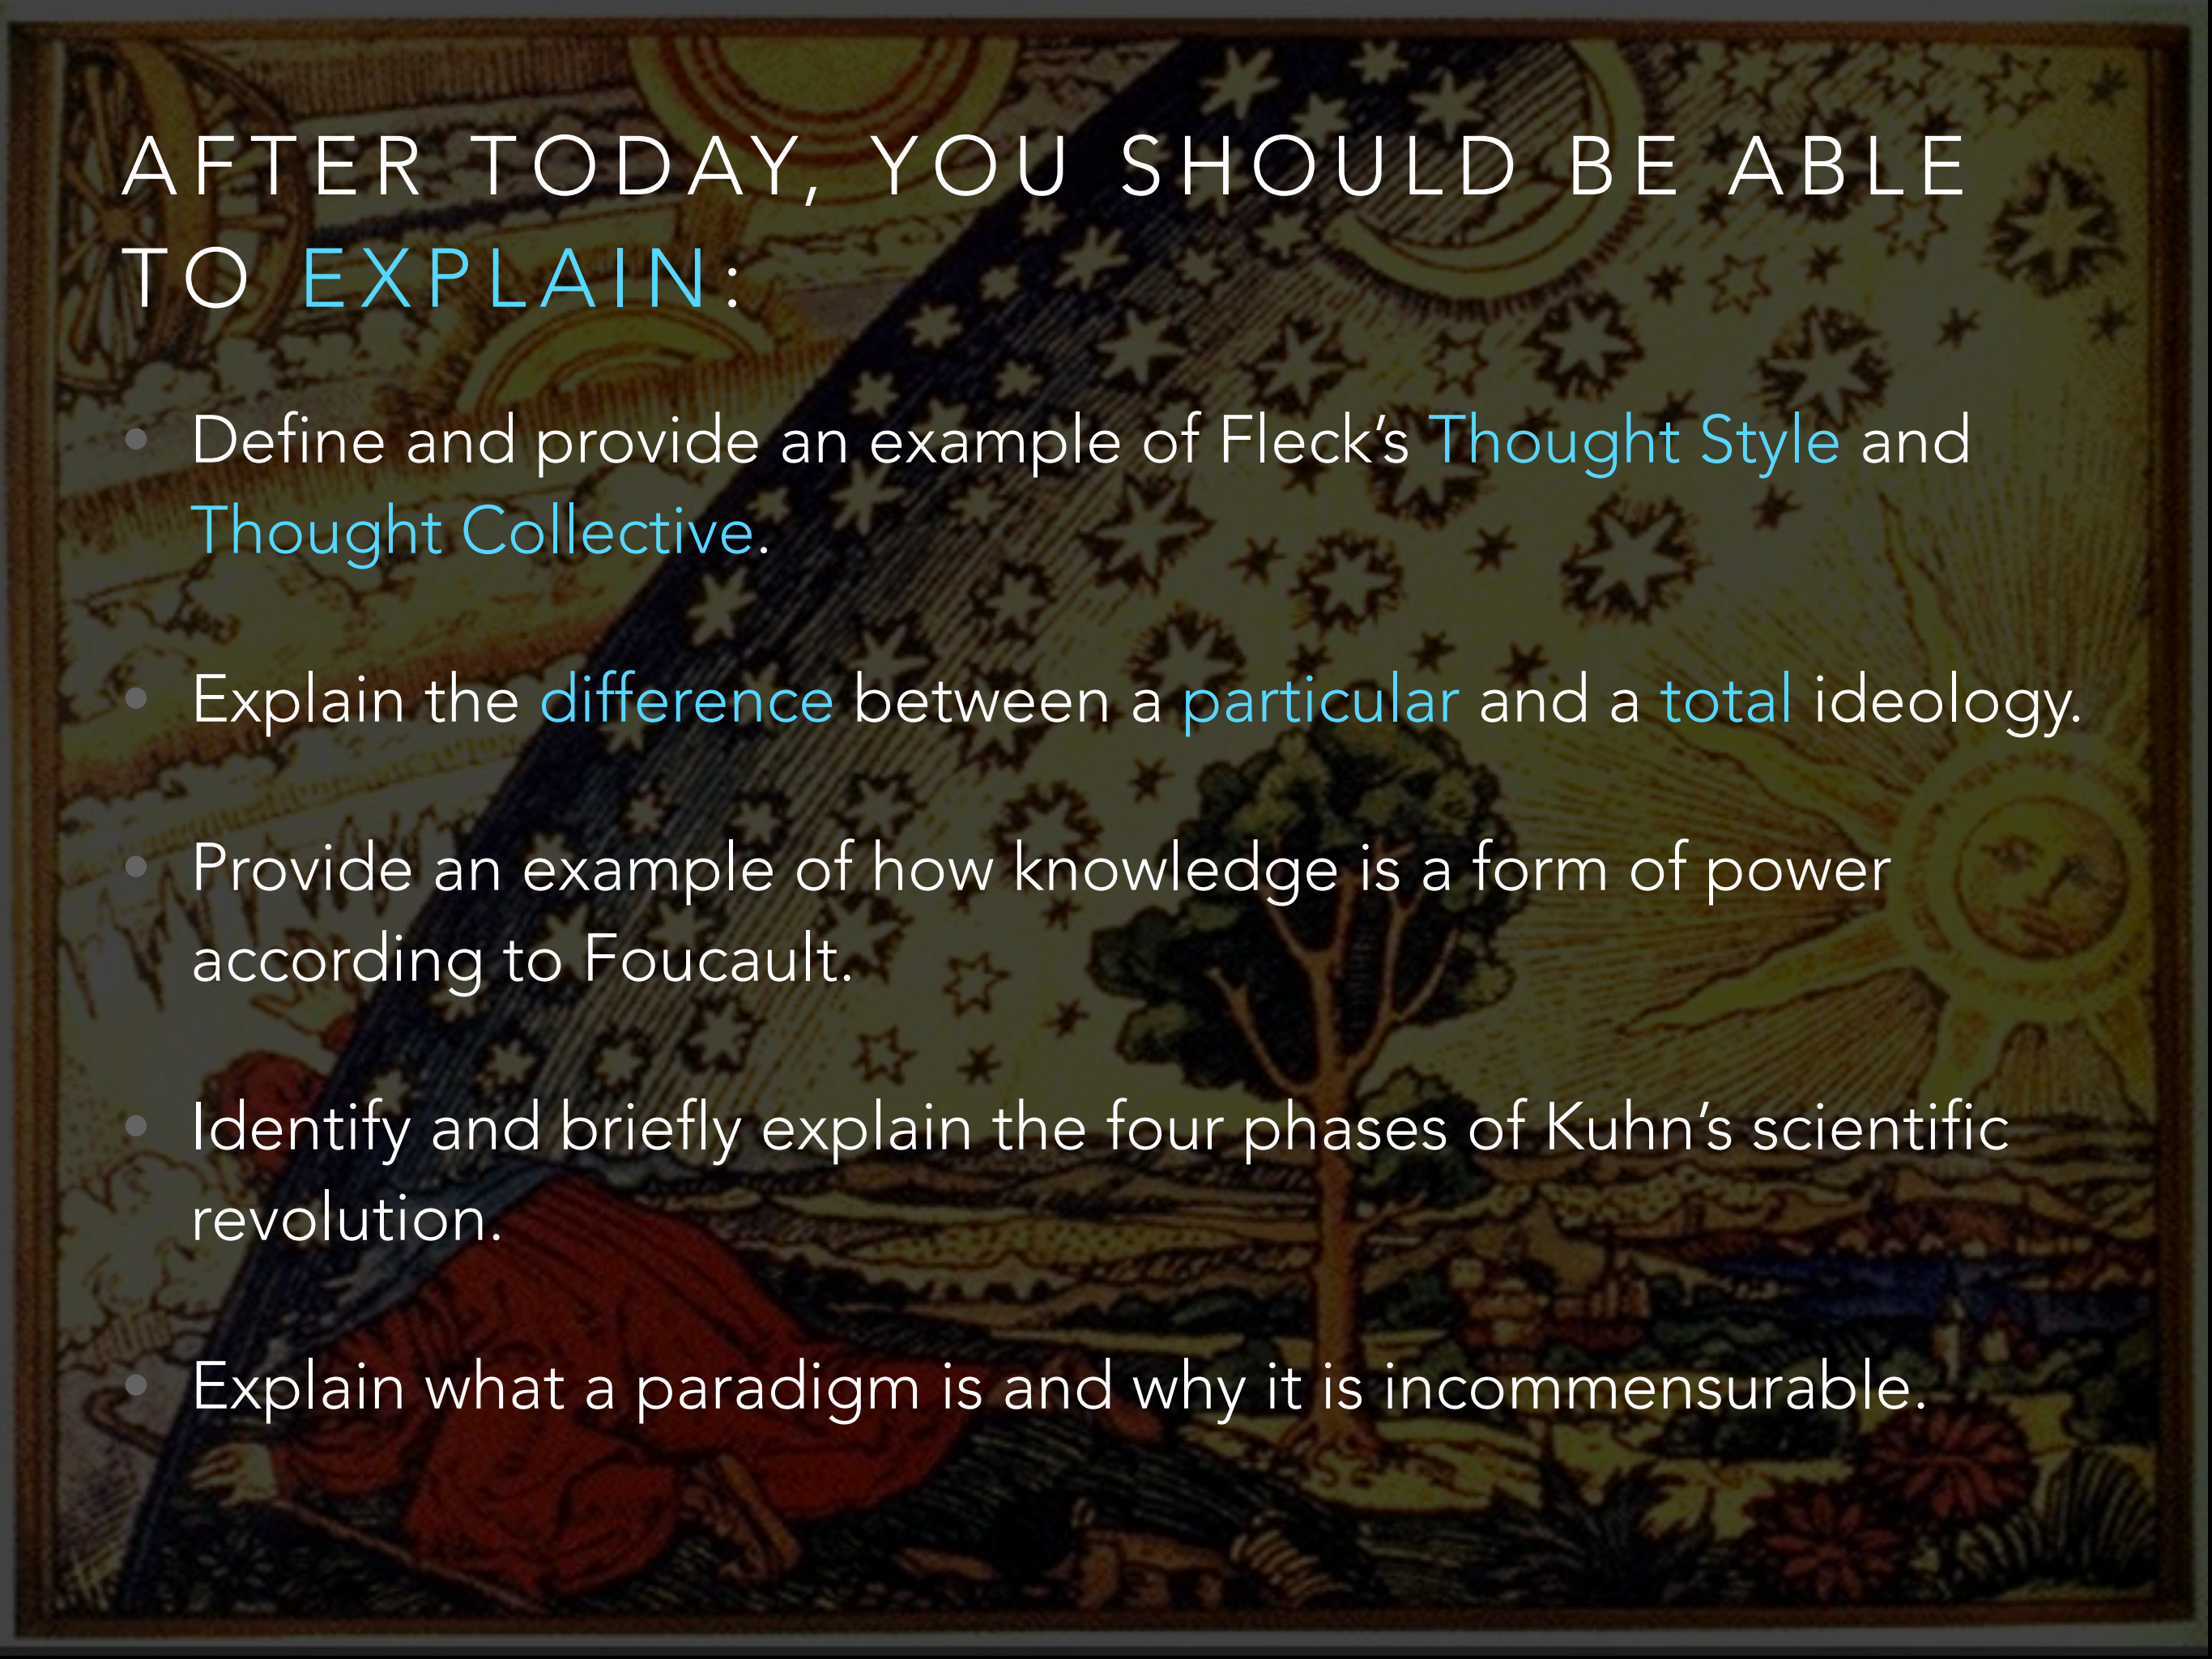

AFTER TODAY, YOU SHOULD BE ABLE TO EXPLAIN:

- Define and provide an example of Fleck's **Thought Style** and **Thought Collective**.
- Explain the **difference** between a **particular** and a **total** ideology.
- Provide an example of how knowledge is a form of power according to Foucault.
- Identify and briefly explain the four phases of Kuhn's scientific revolution.
- Explain what a paradigm is and why it is incommensurable.
