# REALISM

The image is a composite. The central part is a close-up of a man's face, looking slightly to the right with a faint smile. He has short brown hair and is wearing a dark blue jacket over a light-colored striped shirt. The background behind him is a blurred interior with bookshelves. Above the man's head is a mural depicting two figures, possibly historical or religious, in classical attire. At the bottom of the image, there is a horizontal strip showing a newspaper clipping with some text and a small illustration.
