CRENSHAW AND INTERSECTIONALITY

- Kimberlé Crenshaw is a legal scholar who coined the now widely used concept of “**intersectionality**” in the 1980s.
- A great article that explains the evolution of this legal critique can be found: <https://www.vox.com/the-highlight/2019/5/20/18542843/intersectionality-conservatism-law-race-gender-discrimination>.
- See the video on the next slide and consider how Collins’s **matrix of oppression** and Crenshaw’s **intersectionality** build off on another.
